*After planning and coordinating my own wedding, (with the help of my awesome staff at Cafe Soleil and my Friend Dina taking over the reins) I know first hand, exactly how stressful planning the most important day of your life can be and how every detail needs to be acknowledged. I have 18 years in the Restaurant Business and 8 Years in the catering Business. I believe that every Bride deserves the most beautiful wedding, and budget shouldn't be a hold back. I make it a point to customize every Clients budget. To give the most that I can , no matter what the price point. From the most casual to the most elegant. Jennifer and Todd Arrouzet June 03*

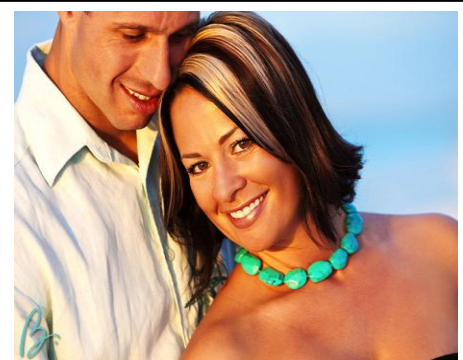

*Thank God for Jennifer Arrouzet and her fabulous catering on our wedding day. Everything was laid out exactly how she said it would be, down to the very last detail. The food was incredible and the displays were gorgeous. Jen and her crew made our special day such a breeze. She honestly made us feel as if there was not one thing to worry about... and there wasn't!

*Nothing is more stressful than your wedding day, however Jen and her catering staff were a dream! Not only were they devoted to doing their jobs well, but went above and beyond the call of duty to make sure that everything went smoothly! The food was perfect and the service was impeccable!

*We are looking forward to Jennifer Arrouzet Catering our Wedding in September 2010. She has been so dedicated and Professional ..... Dina*

*It's hard to believe it has almost been a year since our wedding. Like any other obsessed bride I started planning our wedding way in advance. I happened to meet Jennifer Arrouzet while she was setting up for another wedding being held where I work. I immediately was impressed with her. Jennifer was genuine, kind and full of information. I remained in contact with her over the next couple months. Once we located the venue, we knew we wanted Jennifer to be our caterer. Jennifer's food was delicious, elegant and affordable. After food tasting, it became apparent, that Jennifer was going to be much more than a caterer to us. Jennifer's sense of style, years of experience, resources, and unique ideas, made our wedding incredible. Jennifer dove in first hand and helped us plan our dream wedding within our budget. We were so fortunate to have met her.*

As the events director at San Francisco magazine and then as an independent events producer and consultant, I hired Cafe Soleil to cater high profile and popular events in the Bay Area, including for San Francisco magazine's annual food and wine event, Fall Fest. Jennifer Arrouzet of Cafe Soleil is enthusiastic, organized, professional, and prepares menus appropriate to the season and style of events. If you haven't tried one of Cafe Soleil's famous crab cakes, hire them just for that experience. Guests swoon over these crab cakes, and plenty of other delicious edibles created by the company.
